D-EJ100

CD Walkman® Portable Compact Disc Player

features

- **Full Circle Design** new slim and compact design mirrors the look of the CD itself
- **h.ear Clip-on Style Headphones Supplied** gives you a whole new look in headphone design, with an individual left and right behind-the-ear headphone that provides maximum comfort for your listening experience
- **Clip-on Style Remote Control Supplied** can be clipped onto your bag or belt and fits naturally into your hand allowing you access to essential playback operations
- **CD-R/RW Playback** lets you enjoy playback of music CDs created on personal CD-R/CD/RW drives in addition to commercially produced CDs
- **Skip-Free* G-Protection™ Technology** continues to provide quick recovery from both horizontal and vertical shock
- **Over 50 Hours of Continuous Playback with 2 "AA" Batteries (Not Supplied)** Advanced Sony DSP technology provides dramatically extended battery life from predecessor models
- **Off Timer Auto Shut Off Feature to Conserve Battery Life** Maximizes battery life by powering down the player when not in use
- **10 Playback Modes** offer many predetermined choices in the playback of CDs, including hearing one track over and over, hearing a selection of tracks in a desired order, or listening to tracks randomly
- **Bookmark Playback Function for Easy Programming** You can easily program your favorite songs from multiple CDs and play them back with the touch of a button. This feature makes it easy to program and playback a personalized mix of your favorite songs
- **Digital Mega Bass® Sound** uses digital processing technology to produce rich, deep, bass tones with extremely low harmonic distortion
- **Digital Volume Function** provides precise adjustment of volume level, while the volume level appears on the LCD display
- **Heat Resistant Lid** helps protect against high temperature build-up especially when using the CD Walkman® player in hot climates and in vehicles
- **2 Position Automatic Volume Limiter System (AVLS)** maintains volume output at levels below distortion threshold for cleaner sound reproduction
- **Available In Blue**
